# Daily Sign In Process

Due to COVID-19, all inducted workers & visitors are required to follow the below sign in process daily. Please read the COVID-19 questions carefully before answering each day.

Sign in is available at the designated site office if your mobile device does not support the below.

## STEP 2

Select pencil icon and enter your details. Your details will be saved for future check-ins.

### \*PLEASE NOTE

If your site administrator has activated Geofencing, you'll be automatically checked-in once you enter the site.

## STEP 1

Download the 1Breadcrumb App from either App Store below and opt-in to the 1Breadcrumb Terms & Conditions.

## STEP 3

Scan the site QR Code. Answer any questions then select 'Check-in' to enter. It's that easy.

The QR Code is then saved into your profile for you to easily check-in and check-out of the site.

Due to regulations, we need to capture the contact details of all visitors to help us communicate with them in future.  
This will help us stop spread of the virus.

Please scan the QR code below using the 1Breadcrumb phone app to check in.

Your site may have authorised checkins via your phone's camera.  
Simply hold your camera over the QR and follow the prompts.

If you have any issues with the above, please request help from inside.
